HOTEL UPDATE:

In the beginning we had some issues with the host hotel Taipei Garden Hotel, but now all of that has been resolved and they have plenty of rooms for us. If your staying at another property, please consider changing your reservation to the Taipei Garden Hotel. Its

really a lot nicer than the alternate property we had lined up, and its also a lot closer to the "Gayborhood", and you can be right in the middle of all the action. Please let us know if you do change so that we can track of where everyone is.

EVENTS UPDATE:

If you have registered and paid your IFCON registration fee, then all of our fabulous events below are included in your registration fee. If you have not registered and you want to attend one of our fabulous events, then you need to buy an event ticket.

The cost is as follows:
